

Clarity™

Plug & Play Electric Screen With IR Remote

Utilizing the latest in technology including our Whisper Quiet motors, built-in RangePlus™ IR remote control, and display surfaces optimized for HD, the Clarity offers you the most screen for your display investment.

The Best Features For Less. At RecordexUSA we don't believe in providing a basic screen and then making you add hundreds of dollars for optional remotes, switches and a longer warranty. That's why you'll find that all of our Clarity™ electric screens offer what others claim to be deluxe or optional.

Watch A Movie in Minutes. Made for effortless installation in minutes, the Clarity requires no additional wiring. Simply hang your screen, plug it in and lower the screen using the built in easy switch or the IR remote.

RangePlus™ IR Remote Control Standard. Many manufacturers add up to \$300 for a remote. We simply can't imagine that. With RecordexUSA our Range-Plus IR remote is included standard with every Clarity for your enjoyment.

Quiet, Whisper Quiet. Our exclusive whisper quiet electric motors have been engineered to whisper, not whine. They are smooth, trouble-free, and only from RecordexUSA.

Beautiful, Practical Screen Surfaces. Featuring our advanced Ultra3™ Matte White surface that offers up to 1.1 gain and 160 degree viewing angle the Clarity offers beautiful color rendition, soft light and virtually no visual fatigue even after hours of use. It's also very durable and easy to clean.

MaxFlat™ Design, Unparalleled Viewing Experience. Manufactured using our exclusive MaxFlat process, our surfaces are designed to virtually eliminate the surface anomalies of yesteryear's screens.

Popular Sizes & Ratios Always Available. From intimate to show-stopping sizes in your choice of 1:1, 4:3, or 16:9, our Clarity screens offer the size and aspect ratio that will fit your application perfectly.

Attention To Every Detail. Screens are all about details. They must be made by hand using the latest in high precision equipment to guarantee uniformity. From white gloves to caliper level testing to ensure quality, all RecordexUSA screens must pass rigorous testing. Our factory is fully ISO 9001:2000 certified to guarantee our testing is exact and complete on every screen that we make. Screens up to 150" wide are UL Approved for US & Canada.

Convenient Wall or Ceiling Mount Design. Our flexible mounting system allow for easy installation whether you are planning to mount your Clarity™ electric screen from the ceiling or the wall. We also carry a range of mounting brackets for away-from-wall installations.

Committed to Providing a Greener Future. All RecordexUSA screens are manufactured in compliance with RoHS Directive 2002/95/EC (Restriction Of the use of certain Hazardous Substances in electronic equipment). This compliance helps to ensure a healthier and greener environment for everyone.

Twice The Warranty At No Extra Charge. Double what most others provide, our 2-year warranty backs up our commitment to quality with extra peace of mind at no extra charge.

Standard Wall Switch and IR Remote Control

Optional 12V Trigger Port Control (IR)

Electric Motorized Projector Screen With Built-in Infrared Remote Control

PRODUCT SPECIFICATION STATEMENT

Square case of heavy duty 22 gauge MagTuf steel, with painted scratch-resistant white finish. Shatter resistant, injection molded plastic end caps are matching white color with integrated wall/ceiling mounting brackets. Electrically operated 110-120V AC, 60 Hz. 3-wire motor with ground wire, and is lifetime lubricated with automatic thermal overload protection, and instant electric braking. Adjustable limit settings via included remote control. Draws 1.1 amp. Ultra3 matte white viewing surface is standard offering 1.1 gain and 160 degree viewing angle, flame and mildew resistant. Surface attached to one-piece rigid steel roller. Bottom of viewing surface attached to roll formed steel dowel, finished white. Shatterproof plastic slat tips are used to cover the ends of the slat. Up to 200" screens feature a seamless viewing area while greater than 200" screens feature a center seam. Black borders are included on all four sides of the screen surface to provide added picture contrast. Enhanced range IR remote, full 3-way wired switch, and 17.5' heavy duty power cord with three-prong plug.

PRODUCT WARRANTY STATEMENT

Limited 2-year Warranty on Motorized Electric Screen with IR Remote Control (SCREEN)

Warranty Statement. Recordex warrants to the original purchaser only that the SCREEN will be free from defects in material and workmanship under normal use for a period of two (2) years from the date of original purchase. This warranty shall not apply: (i) to any screen subjected to accident, misuse, neglect, alteration, acts of God, improper handling, improper transport, improper storage, improper use or application, improper installation, improper testing or unauthorized repair; or (ii) to cosmetic problems or defects that result from normal wear and tear under ordinary use, and do not affect the performance or use of the product. If the screen develops a covered defect within the warranty period, Recordex will, at its option, either repair or replace the screen at no charge.

Warranty Period. two (2) years from the date of the original purchase.

Warranty Claims. The original purchaser may obtain warranty service by contacting Recordex Customer Service Center at 1-718-392-5380 or by contacting their authorized Recordex Dealer for assistance in filing a warranty claim. Upon verification of warranty claim Recordex will at its option repair or replace the defective screen at no cost to the customer.

THE ABOVE STATED WARRANTY IS EXCLUSIVE AND REPLACES ALL OTHER WARRANTIES EXPRESSED OR IMPLIED INCLUDING THOSE OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. RECORDEX WILL NOT BE HELD LIABLE FOR ANY OTHER DAMAGES OR LOSS INCLUDING INCIDENTAL OR CONSEQUENTIAL DAMAGES AND LOSS OF PROFITS OR REVENUES FROM WHATEVER CAUSE, INCLUDING BREACH OF WARRANTY OR NEGLIGENCE.
