

# Projector Ceiling Mounts

**Infinix**<sup>TM</sup>  
deluxe projector mounts

Built with virtually every feature imaginable RecordexUSA Infinix projector mounts offer tool free, easy, precision universal mounting of today's video projectors.

The Best Features For Less. At RecordexUSA we don't believe in providing a basic mount for two reasons. They are awful to setup and often don't match the professional look of your expensive projector and décor. Our Infinix mounts address that with an unprecedented level of [simple hand adjustments](#) and [beautiful MagTuf](#)

Attention To Every Detail. Mounts, like screens are all about details. They must be made to exact tolerances using the latest in high precision equipment to guarantee performance. From white gloves to caliper level testing to ensure quality, all RecordexUSA screens must pass rigorous quality assurance. Our factory is fully [ISO](#)

No Screwdriver Allowed. For adjustments that is. Once you locate and secure your permanent mounting location whether it be a [flat ceiling](#) or [even angled surface](#), all your other adjustments can be done with your hand. No more hunting for your screwdriver, awkward angles, and accidentally marring your mount or projec-

Tough As Nails, Beautiful To Behold. Utilizing our own extra strong MagTuf<sup>TM</sup> steel construction, our RecordexUSA Infinix<sup>TM</sup> mounts are [built for the rigors of commercial environments](#). Our light gray enamel finish is both strong and scratch resistant, and designed to compliment any décor or environment.

Drops From 8.3" to 105" Available. Choose our Infinix 210, 640, 1200, or 2400 for [drops ranging from 8.3" to a staggering 105"](#). All tool free,

More Warranty At No Extra Charge. Double what most others provide, our [2-year warranty](#) backs up our commitment to quality with extra peace of mind at no extra charge. And remember, since 1969 RecordexUSA has always been here to help you with any questions, requests,
