

MicroLite™

Presentation to go.

Ready to follow you anywhere the MicroLite is our most portable screen and the perfect solution for anyone making presentations on the road.

Built to Travel. Not much bigger than your umbrella, the MicroLite packs a lot into its lightweight aluminum case. With an integrated carrying handle and fold-out feet it's both easy to take with you and a breeze to setup.

60 Second Setup! Simply extend the integrated fold-out feet, open screen to presentation width and set it on the

Two Convenient Sizes. Available in a 40" or 50" diagonal screen size in the most popular 4:3 screen format.

Borders of Course. We believe border framing a screen is a must, not an option. The top and bottom of your MicroLite screen is finished with a light absorbing black border.

Ultra3 MatteWhite Surface. Our MicroLite utilizes the Ultra3 Matte White surface finish that offers up to 1.1 gain and 160 degree viewing angle. The MicroLite is optimized for HD and its smooth surface is ideal for making text heavy presentations.

The Best Warranty in The Industry. Double what most others provide, our two-year warranty on MicroLite Tabletop Screens backs up our commitment to quality with extra peace of mind at no extra charge.

Attention To Every Detail. Screens are all about details. They must be made by hand using the latest in high precision equipment to guarantee uniformity. From white gloves to caliper level testing to ensure quality, all RecordexUSA screens must pass rigorous testing. Our factory is fully ISO 9001:2000 certified to guarantee our testing is exact and complete on every screen that we make.

Committed to Providing a Greener Future For All. All RecordexUSA screens are manufactured in compliance with RoHS Directive 2002/95/EC (Restriction Of the use of certain Hazardous Substances in electronic equipment). This compliance helps to ensure a healthier and greener environment for everyone.
